Student: _____ Student ID: _____

Supervising Instructor: _____ Semester: _____

I have proposed the following topic for the Master of Legal Studies final project. This topic has been approved by the Supervising Instructor (whose signature appears below) as meeting the criteria for an original research paper. The Master of Legal Studies Final Project is a two or three credit course. The work may be completed in one or two semesters, however, all credits (two or three) must fall in the same semester.

Topic Statement: _____

My Supervising Instructor and I have agreed on the following timetable

Research Bibliography due on: _____
Submission of at least one substantially completed draft due on: _____
First Draft returned to the student on: _____
Final Paper due on: _____
Any additional deadlines specified for this paper: _____

To register for these credits, a student must (1) complete this form with signature from the supervising instructor and one of the MLS program directors; and (2) This form will then be forwarded to the registrar and he or she will grant the student permission within Cardinal Students to register for the credits.

I certify that I have read and understand the Academic Rules. I understand that it would be unethical to submit the work of another as my own and that failure to give due acknowledgement to the use of materials prepared by others may cause me to receive a failing grade and subject me to other sanctions as well. I also realize that if the paper is submitted for publication, it should contain a statement that it was submitted in partial satisfaction of degree requirements at the Catholic University of America, The Columbus School of Law.
