

REOUEST TO TAKE COURSE(S) AT ANOTHER LAW SCHOOL FOR CUA/CSL CREDIT

All matriculated students are ordinarily expected to take all law school courses while in residence at this law school. Students may be allowed to take courses for credit at another law school with the <u>advance permission</u> of the Office of Academic Affairs.

All students requesting permission to visit another law school should keep in mind that:

- A student may be permitted to visit away for no more than one semester to participate in a structured program of unusual academic and professional enrichment at another institution, on condition that the program for which leave is taken is not available at this law school.
- Approval may not be given for students to take courses elsewhere that are required courses here or that will be offered here during the remainder of the student's program of studies.
- In extraordinary circumstances related to family, health, and other unusual personal situations, the Office of Academic Affairs may permit a student to visit at another law school for a total leave for any reason of not more than two semesters.
- A student will receive credit only for courses in which a satisfactory grade of C+ or better has been received. Pass/Fail courses will not receive credit.
- No grades will be entered on the student's permanent record and, therefore, the grades received will not be included in the calculation of the student's cumulative average and class rank.
- Students are responsible for seeing that official transcripts of work are forwarded promptly to the Office of the Registrar.
- Students in their last semester of studies are encouraged NOT to visit away as it may interfere with the conferral of their degree. Official transcripts must be received prior to submission of names to the faculty for graduation certification. Failure to do so may result in the postponement of the conferral date and denial of commencement participation. (i.e. it is possible you may not graduate on time.)

Students interested in visiting another law school must fill out the below request form and return the completed copy to the Law School registrar.

For more information, please contact the office of the Office of Academic Affairs at (202) 319-6478. Information regarding this process is also available in the Law School Announcements.
